RE: District 86 Resignation

Dear Mr. Speaker:

It has been an honor and a privilege to have served the people of District 86 in the Louisiana House of Representatives. I am extremely proud of the work I have done on their behalf and the successes we have achieved through working together in the legislature. However, the greatest jobs I have ever had have been that of father to my four precious daughters and husband to my amazing wife. As you are well aware, our service results in our often being absent from those responsibilities. With that in mind, it has become apparent to me that what is in the best interest of my family, at this time, is for me to refocus my attention to my responsibilities at home. For this reason, I respectfully tender to you my resignation from the Louisiana House of Representatives, District 86, effective no later than March 1, 2018. I have selected this date to ensure that my district will have representation in the event that a Special Legislative Session is called during the month of February of 2018. However, in the event my successor is elected prior to that date, or in the event there will be no special session in February of 2018, it will be my intent to make my resignation effective at an earlier date.

I would also respectfully request that you consider issuing the call for a special election at the earliest available date in order to ensure that my successor is seated in time to fully participate in the 2018 Regular Legislative Session and provide representation to the good people of District 86.

Again, it has been an honor to have served with you and the rest of my colleagues. While I have been blessed to have served in this capacity for the last six years, and to have developed life long relationships with so many good hearted public servants and staff members in the legislature, my family is my dearest treasure and must receive my undivided attention at this time. May God richly bless you and my colleagues in the days to come and may He grant you wisdom as you lead Louisiana forward.

With kind personal regards, I remain

Yours very truly,

Chris Broadwater
State Representative, District 86
